SUPPLEMENTAL AMENDMENT UNDER 37 C.F.R. § 1.115

This paper is a supplement to the Amendment Under 37 C.F.R. § 1.115 filed by Applicant on October 29, 1996.

Please amend this application as follows:

IN THE CLAIMS:

Please cancel claim 36, without prejudice.

Please add the following claims:

- 37. A method of altering the concentration of a desired gene product in a recipient subject, which comprises providing to said recipient subject a transfected cell preparation, said preparation containing at least one transfected cell, which contains a desired gene sequence, wherein said cell, when provided to said subject, will direct the expression of said
